

DEVIN DRURY

VICE PRESIDENT INTERNAL REPORT

DECEMBER 1ST, 2013

Federation of Students

University of Waterloo

EXECUTIVE SUMMARY

Hello Council,

It's hard to believe that the fall term is already over, and we as a council are already through 8 of 12 meetings. It's only been 2 weeks since our last meeting, so there's not a whole lot different, but I can offer a few updates:

- We hit out 2900 response goal with the survey, I am working through results now... there are a lot of them
- I didn't receive much feedback on the service review documents, but I have made some changes and updates, it should all be done after today!

Good luck with all of your exams, have a wonderful break! See you all again in January!
