# EXECUTIVE SUMMARY

Hello Council,

It has only been 3 weeks since our last meeting, but those 3 weeks have been action packed. With thousands of students back on campus, there's never a dull moment. I've tried to interact with as many people as possible, and have done my best to be available if anyone needs to talk. Some things to look for:

- I will be out of the office this week, Oct 7-11, taking some vacation time
- CLAC is in discussions about "WalkSafe" on campus, more updates to come (Discussion on FedsConnect)
- Societies Conference ran Sept 30, every society was there except WASA and SciSoc

Good luck with midterms, and enjoy October!

Devin Drury, B. Sc.
