Clubs and Societies

Earlier this semester The Feds Services and other groups gathered together in the SLC Great Hall to share information about how to get involved on campus. With numerous facilities available all over the university, especially at the SLC, students got the chance to apart of a community that is able to provide to their needs, wants and interest. Clubs not only provide services to students but also take action in raising awareness for matters such as sexual assault, environ-

mental hazards and various diseases. These associations also help people voice out their own opinions. **Special thanks** goes out to the following clubs for their help cleaning up after this terms event; Watsfic, NDP Club, Sahaja Yoga Meditation, Culture Language Exchange Club, Fighting Game Club, Hong Kong Students Association. UW Kendo Club (Athletics Club).

Vesak 2016

“University of Waterloo Buddha’s Light Community Club (UWBLCC) co-organized a bus trip with Buddha’s Light International Association (BLIA) Toronto - Waterloo Subchapter, with facilitation from Federation of Students (FEDs), to bring more than 10 UW students to participate in Vesak 2016 on 28th May at the Mississauga Celebration Square.

Vesākha is the holiest celebration of the Buddha’s birthday (Vesak Day). Before the ceremony, representatives from different Buddhist associations in Mississauga dress up as Buddhist characters to parade up Mississauga Celebration Square.
